## HESI

The Baptist Health Care Journey to Excellence Al Stubblefield,2011-01-31 An insider's look at corporate culture at one of Fortune's Top 100 Best Companies to Work for in America A business can purchase, imitate, or replicate most of its elements, but when a business places its competitive advantage with its people, it can become the market leader. The Baptist Health Care Journey to Excellence illustrates how Baptist Health Care went from a customer satisfaction rating of less than 20 percent to being consistently ranked in the 99 percent range. Written by the man who made it happen, this book sets benchmarks and best practices for organizations to measure themselves against by creating a service-centered culture that cares first and foremost about customer satisfaction. This crystal-clear book offers to any who will listen invaluable, detailed guidance on how and why to move toward a true culture of excellence in hospital care. It isn't easy, but, as their results show, it's a journey well worth taking. —Donald M. Berwick, MD, president and CEO, Institute for Healthcare Improvement The Baptist Health Care Journey to Excellence presents tested principles and best practices to help improve your corporate culture and customer satisfaction, which will lead to loyalty, stability, sustained productivity, and profitability in your own organization. **Hardwiring Excellence** Quint Studer,2003 To make health care a better place for employees to work, physicians to practice medicine, and patients to receive care.

**The Busy Leader's Handbook** Quint Studer, 2019-10-01 A comprehensive book of “need-to-know” insights for busy leaders Being a great leader means getting the fundamentals right. It also means consistently doing the “little things” that make a positive difference in the lives of employees, customers, and other stakeholders. The Busy Leader’s Handbook: How to Lead People and Places That Thrive is a practical, easy-to-use book filled with gentle reminders of what we should be doing every day—especially when work is at its most intense. The Handbook is packed with proven best practices, tools, tips, and tactics for engaging employees, revitalizing cultures, delighting customers, and building high-performance companies. Short, succinct, and accessible, each chapter is “stand-alone,” offering helpful advice for meeting common business challenges. Plus, the strategies, approaches, and tactics are designed to be put into action immediately. Best-selling author, businessman, visionary, and entrepreneur Quint Studer draws on his 30-plus years of experience in helping organizations of all sizes and leaders at every level reach peak performance. Comprehensive in scope, his book overflows with insights and practical advice to help you make smart leadership decisions. For example: Why putting the right foundational structures in place early on creates clarity and heads off problems that cause businesses to struggle and fail The importance of followership: why being a good leader requires that you first be a good follower Why we tend to run from self-disruption and a sense of being unsettled (and how to learn to embrace them instead) Why leaders should seek consent, not consensus How to engage employees and create a positive workplace culture How to help employees find meaning and purpose in their work How to conduct difficult conversations and resolve conflicts—and why having these skills (or not) can make or break you as a leader Advice for attracting and hiring the best talent, retaining them over time, and dealing with the low performers who drive them away Why mentoring is so powerful and how to encourage it inside your company Tips and tactics for seeing the world through your customer’s eyes How to reduce customer anxiety (and encourage them to buy) with the right words at the right times for the right reasons The Busy Leader’s Handbook functions as a desk reference and pocket guide for anyone in a leadership position. It’s also a great training tool for onboarding new leaders. Whether you work for a start-up, a small or mid-size business, or a large corporation, this book will change how you think, inspire you to do your job better—and help your organization thrive.

**Lean Hospitals** Mark Graban, 2016-06-30 Organizations around the world are using Lean to redesign care and improve processes in a way that achieves and sustains meaningful results for patients, staff, physicians, and health systems. Lean Hospitals, Third Edition explains how to use the Lean methodology and mindsets to improve safety, quality, access, and morale while reducing costs, increasing capacity, and strengthening the long-term bottom line. This updated edition of a Shingo Research Award recipient begins with an overview of Lean methods. It explains how Lean practices can help reduce various frustrations for caregivers, prevent delays and harm for patients, and improve the long-term health of your organization. The second edition of this book presented new material on identifying waste, A3 problem solving, engaging

employees in continuous improvement, and strategy deployment. This third edition adds new sections on structured Lean problem solving methods (including Toyota Kata), Lean Design, and other topics. Additional examples, case studies, and explanations are also included throughout the book. Mark Graban is also the co-author, with Joe Swartz, of the book *Healthcare Kaizen: Engaging Frontline Staff in Sustainable Continuous Improvements*, which is also a Shingo Research Award recipient. Mark and Joe also wrote *The Executive's Guide to Healthcare Kaizen*.

**Myasthenia Gravis** ,2009

**Hospital Liability** James Walker Smith,1985 Whether you represent hospitals, physicians or their patients, this acclaimed publication analyzes the impact of the latest statutes, regulations, cases and trends.

**I Love Jesus, But I Want to Die** Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

**Handbook of Research on Exploring Gender Equity, Diversity, and Inclusion Through an Intersectional Lens**

Meletiadou, Eleni,2023-06-02 Organizations worldwide have introduced equality, diversity, and inclusion (EDI) policies to address the inherent disadvantages experienced by employees with diverse social identities in different national contexts. EDI policies are present to address the inherent disadvantages and inequalities experienced by a diverse workforce. The Handbook of Research on Exploring Gender Equity, Diversity, and Inclusion Through an Intersectional Lens reports on current challenges that organizations face in terms of gender diversity management and provides crucial research on the application of strategies designed to increase organizational change and support and integrate diverse individuals, including physically disabled individuals, women, and people of color, into organizations. Covering key topics such as mental health, tolerance, and a sustainable workforce, this major reference work is ideal for managers, business owners, administrators, government officials, policymakers, researchers, scholars, academicians, practitioners, instructors, and students.
