Global Health Nursing Michele J. Upvall, PhD, RN, CRNP, Jeanne Leffers, PhD, RN,2014-04-14 Primarily, the book covers different global health partnerships and initiatives, focusing on what works/what doesn't work and providing guidance for future partnerships. This is ideal for readers who focus their work in this area.--Doody's Medical Reviews This innovative text for graduate and undergraduate nursing students fills a void in global health nursing literature by providing essential tools and strategies for building and sustaining productive international partnerships. Based on the premise that partnership is paramount for sustainable outcomes, the book demonstrates how nurses can build sustainable health programs that will improve health outcomes worldwide. Written by two highly experienced global nurses, the book offers expert guidance gained from many years of successful involvement in international collaboration that is supported by detailed real-life examples. It will be of particular interest to nurse educators who undertake projects with their students to ensure that both students and host partners are able to meet their collaborative goals. Additionally, the text provides information that will help nurse educators to perpetuate a successful educational program even after they depart or funding ends. Case studies from many different perspectives demonstrate positive change effected by nurses working across international boundaries and within their own countries. The text builds on the Conceptual Framework for Partnership and Sustainability in Global Health Nursing developed by Leffers and Mitchell (2010). Additionally, the book reflects the focus on global health competence for

nurses in the future (IOM, 2011) as well as that of the American Academy of Nursing's recently established committee on Global Health. Key Features: Provides expert, essential guidance for nurses who work internationally to build successful partnerships for sustainable programs Recommends global solutions to the challenges facing international nursing collaboration Includes detailed case studies of successful collaboration Based on the Conceptual Framework for Partnership and Sustainability in Global Health Nursing Chapters end with reflective questions challenging the reader to apply lessons learned.

A Little Salvation Judson Mitcham, 2007 This new collection from acclaimed novelist and poet Judson Mitcham features poems from the last twenty-five years, including forty new works and poems from his previously published collections, *Somewhere in Ecclesiastes* (1991) and *This April Day* (2003). Wise, witty, and deceptively plainspoken, Mitcham's poems show how the moments that truly save us--that make us human--are necessarily the most fleeting. It is up to us, he reminds us, to create meaning from those moments, and in doing so to create our own salvation. The transitory nature of human experience is both the boon and the bane of the existence of the speakers in these poems, and every poem seems to recognize its own temporality, trying to find meaning rather than a definitive answer to the questions it raises. The tone of these poems combines a strong sense of humor with a pervasive feeling of loss, both celebrating and mourning that "a true note is still so hard to hit." These voices revel in the human condition even as they are often saddened by it. While Mitcham's background and settings are distinctly southern, his interests extend far beyond the regional. He intimately understands the problems and the people of the South but recognizes that these are, above all, human problems and human beings. His poems evoke Flannery O'Connor, Otis Redding, the Bible, and the Baptist Church, but they also respond to Walt Whitman, Wallace Stevens, and the death of Jacques Derrida.

Sabbath Creek Judson Mitcham, 2011-03-15 In his highly anticipated second novel, Judson Mitcham, with plain but elegant language, creates an emotional impact rivaled only by his critically acclaimed debut novel, *The Sweet Everlasting* (Georgia). *Sabbath Creek* is the story of Lewis Pope, a fourteen-year-old boy thrust into an adult world of heartache and brokenness. When his beautiful but distant mother takes him on an aimless journey through south Georgia, the cerebral and sensitive Lewis is forced to confront latent fears--scars left from the emotional abuse of an alcoholic father and the lack of comfort from a preoccupied mother--that crowd his interior world. At the heart of the journey, and the novel itself, is Truman Stroud, the quick-witted, cantankerous owner of the crumbling Sabbath Creek Motor Court, where Lewis and his mother are stranded by car trouble. His budding friendship with the ninety-three-year-old black man is his only reprieve from the mysteries that haunt him. Despite his prickly personality and the considerable burden of his own personal tragedies, Stroud

becomes the boy's best hope for a father figure as he teaches Lewis the secrets of baseball and the secrets of life. Sabbath Creek is more than a coming-of-age novel. And while Mitcham provides a nuanced look at the relationship between a white adolescent boy and a black old-timer, his second novel transcends the tired theme of race relations in the South. This compassionate, smart, powerful work of fiction touches the pulse of the human spirit. It travels from the ruined landscape of south Georgia and takes us all the way through the ruined landscape of a broken heart.
